We are pleased to present the launch of our new project Sunway Signature Villas, located in Pilar de la Horadada.

This is an exclusive development consisting of 4 independent villas with private pools, ideally located just 2 km from Playa de las Higuericas and in the center of the town.

The location is excellent, featuring a south-facing orientation, ensuring sunlight throughout the entire day, a key factor highly valued by international buyers.

One of the main highlights of this project is that it is fully customizable, allowing clients to design their home according to their preferences. Throughout the entire process, buyers will be supported by both your team and ours, with the possibility to choose:

Materials

Kitchen design

Finishes

Color of Appliances

And all property details

This makes Sunway Signature Villas a truly unique and standout opportunity in the market.(construction has already started and the project is currently in the foundation phase)

Project alrrady started with Estimated delivery date: March 2027
