In one of the most popular coastal areas of Punta Prima, just 100 meters from the beach, we offer for sale a fully renovated, top floor, bright and modern apartment. The practical, open-plan living room-kitchen provides a pleasant, sunny living space, which is accompanied by three comfortable bedrooms and two modern bathrooms with showers, making the apartment a perfect choice for families, but also an excellent option as a holiday home or as an investment. The terrace offers a charming side view of the Mediterranean Sea, while the direct seaside location means that the beach, the promenade, restaurants and shops are all within a few minutes' walk. A home where the Mediterranean lifestyle can truly be part of everyday life - morning coffee by the sea, refreshing in the sea during the day, and a pleasant walk along the beach in the evening. If you are looking for a renovated, three-bedroom apartment in Punta Prima, just a few steps from the sea, this property is worth seeing in person. (The pictures include virtually furnished pictures. The property is being sold unfurnished, but can be furnished upon request for an additional fee.)
